**General expectations of student performance**

<i>Grade</i>	<i>Standard</i>	<i>GPA point</i>	<i>Class of honours</i>	<i>General Expectations</i>
<i>A+</i>	<i>Excellent</i>	4.3	<i>First class</i>	<i>Excellent:</i> Demonstrates both qualities of originality in approach and argument and an excellent understanding of exercise science issues (e.g., over 80% of answers are correct); creative or exceptionally insightful, fluently expressed, founded on careful and critical reading and evaluation of relevant materials, and demonstrating independent judgment.
<i>A</i>		4.0		
<i>A-</i>		3.7		
<i>B+</i>	<i>Good</i>	3.3	<i>Second class</i>	<i>Good to Very Good:</i> A good to very good grasp of exercise science concepts (e.g., 70%-79% correct answers), with evidence of reading and critical evaluation of relevant materials. Generally persuasive analysis and synthesis of ideas or critical interpretation of the texts/issues/data. <i>Average Competent Answer:</i> an average, competent answer that has identified the major issues and shows a good grasp of exercise science concepts should be awarded a <b>B-</b> .
<i>B</i>		3.0	<i>Division one</i>	
<i>B-</i>		2.7	<i>Division two</i>	
<i>C+</i>	<i>Satisfactory</i>	2.3	<i>Third class</i>	<i>Satisfactory:</i> Broadly identifies the major issues and displays a basic understanding of the relevant exercise science concepts, but contains errors (e.g., 60%-69% correct answers); shows weak critical evaluation, or is vague or confused on an issue, or in applying the exercise science concepts to the facts.
<i>C</i>		2.0		
<i>C-</i>		1.7		
<i>D+</i>	<i>Pass</i>	1.3	<i>Pass</i>	<i>Pass:</i> The answer demonstrates minimal knowledge of exercise science concepts (e.g., 50%-59% correct answers) or critical interpretation of the texts/issues/data. The issues are generally incompletely or unclearly perceived and analyzed, with little evidence of relevant reading.
<i>D</i>		1.0		
<i>F</i>	<i>Fail</i>	0		<i>Fail:</i> The answer fails to identify major issues (e.g., less than 50% correct answers); serious mistakes in interpreting exercise science concepts or analyzing exercise science texts/issues/data are apparent and the handling of the question is significantly below the standard expected for a Pass grade.

## **PBSL3300 (3 credit point) internship: Course Grade Descriptors Pass/Fail**

### **Pass:**

Achievement is considered at a pass level when the student satisfactorily fulfils the course learning outcomes. The minimal required hours of internship must be completed with appropriate ethical conduct within the internship organization. Performance during the internship should be at least acceptable according to the internship organization supervisor assessment. Through the internship report, the student demonstrates the ability to reflect thoughtfully on the internship experience and link theory with practice.

### **Fail:**

The student fails to satisfactorily fulfil the course learning outcomes. The minimal internship hours are not undertaken. Inappropriate behaviour of the student while at the internship organization. There is less than acceptable performance according to the internship supervisor. Inability to thoughtfully reflect on the internship experience as presented in the internship report.
