INTRODUCTION

Challenge: Peer feedback in creative disciplines can feel abstract or overly critical.
Solution: The **CAS Form (Care–All–Shape)** makes critique **tangible, appreciative, and multimodal.**

- **C – Critical Context**: Clarify background & intent.
- **A – Appreciative Analysis**: Value strengths.
- **S – Structural Suggestions**: Steps to improve.

USE IN PRACTICE

- **Modes**: Visual • Written • Mixed
- **Engagement marker**: □1 □2 □3
- **Drawing box**: Sketch/symbol feedback
- **Reminder & logistics**: Quick notes, iterations

IMPACT & EARLY USE

- Built from earlier feedback sheets
- Trialing in courses (Sept–Nov 2025)
- Students enjoy multimodal options
- Feedback is richer & more specific
