“Yocle” App

- Been using the “Yocle” app since May 2019 in my classes at HKU
- Runs on iOS, Android, and web
- Easy to install and use
- Free for HKU students and staff (use HKU email for sign-up)
- LOTS of functionality

What's It Good For?

- Social media app for T&L
- Social learning, creating a community
- Messaging (think WhatsApp/WeChat)
- Staying up to date on each other's T&L activities (think Facebook)
- Assessment, reflective learning
- Giving feedback (audio, written comment, dictator phone)

Live Demonstration

Outlook

- Great for staying in contact with students
- Immediate feedback
- Supplement online teaching
- Social learning, create a community
